Gliderol

Panel Glides

Macquarie Garage Doors is an authorised dealer for Gliderol Panel Glides. Using traditional & modern design concepts to provide amazing levels of performance & style.

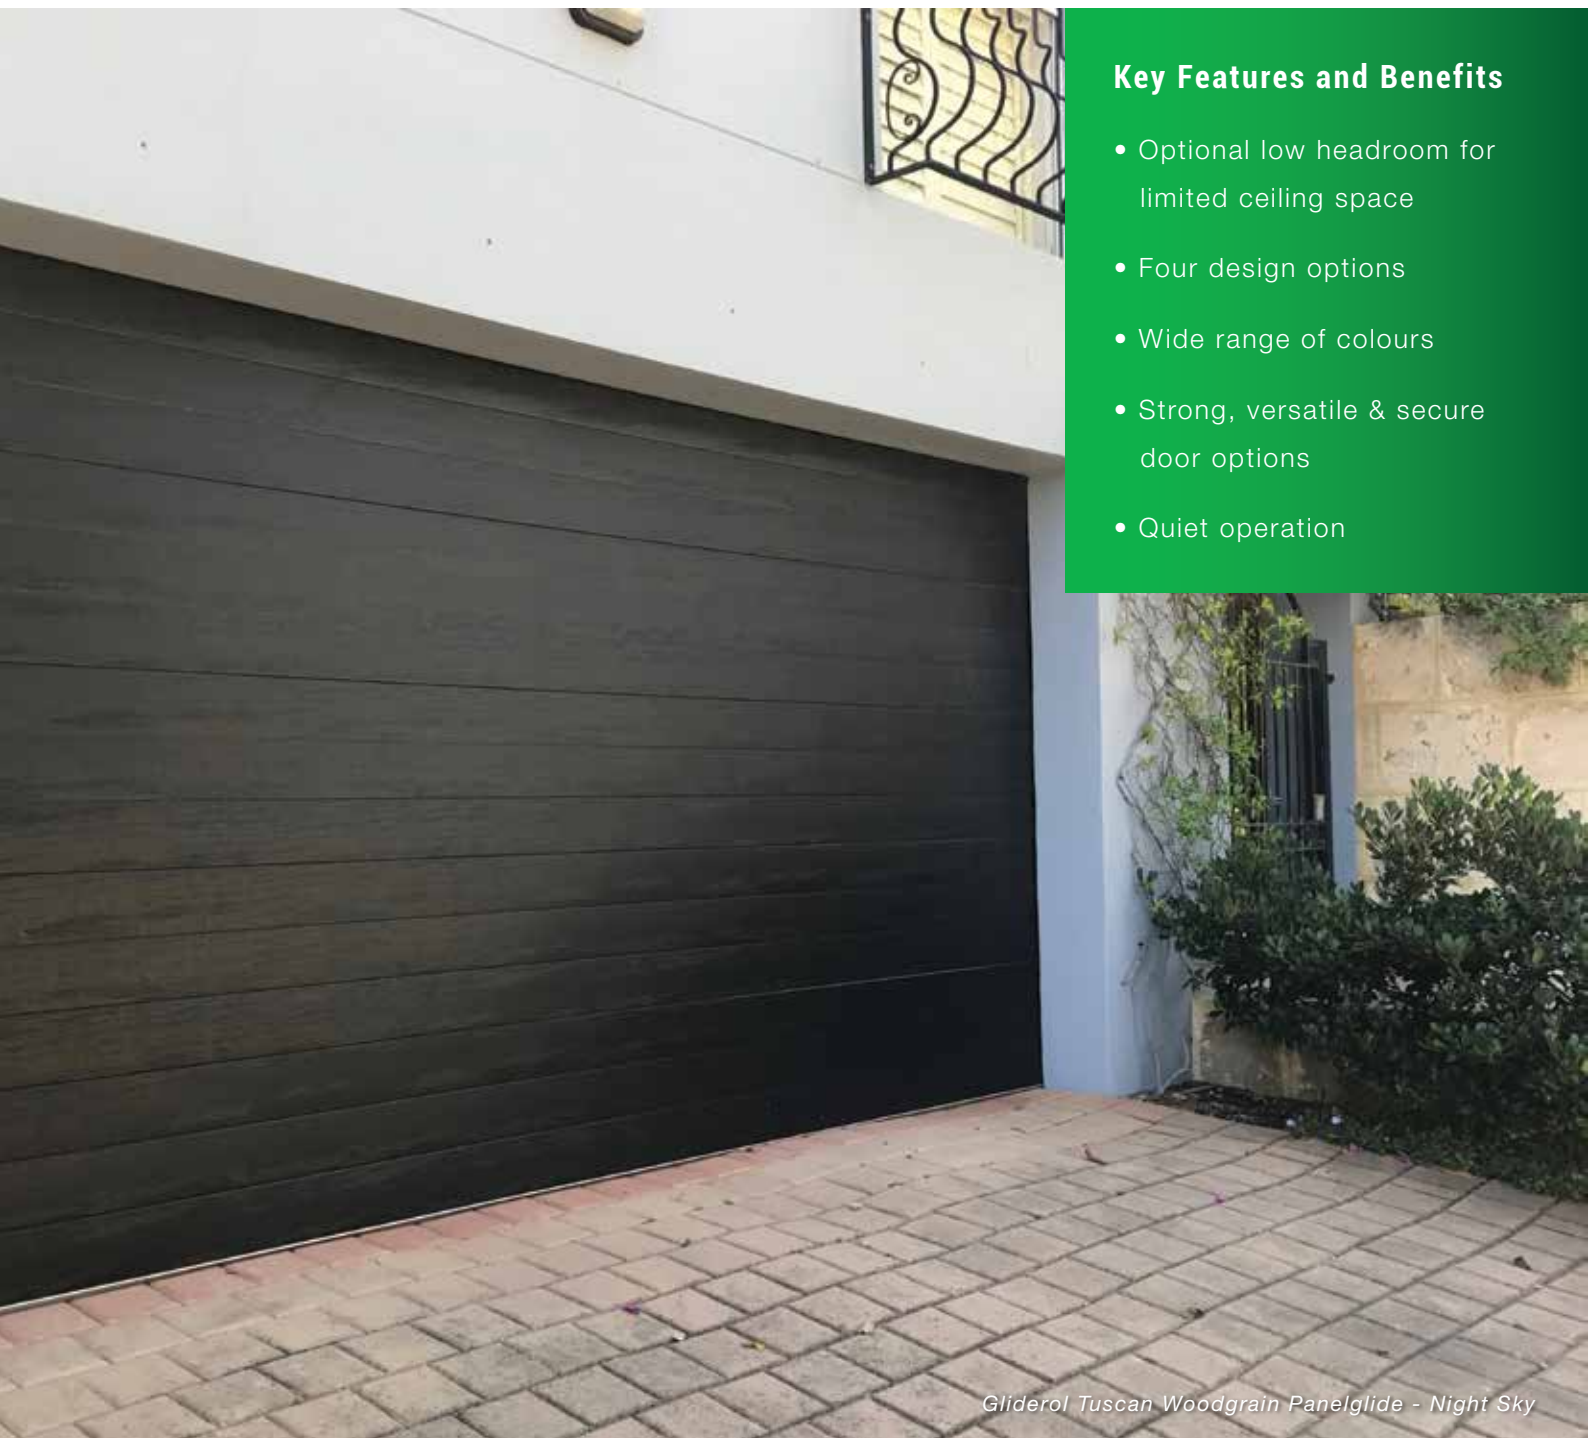

Featuring a raised panel design, the panel glide comprises of a number of hinged rigid sections which slide overhead creating a lightweight stylish garage door.

With a choice of four designs, Oxford, Hampton, Tuscan & Madison, the Panel Glides Colorbond® finish will enhance your homes street appeal.

Panel Glides are Australian Designed & manufactured specifically for Australian conditions.

Key Features and Benefits

- Optional low headroom for limited ceiling space
- Four design options
- Wide range of colours
- Strong, versatile & secure door options
- Quiet operation

Gliderol Tuscan Woodgrain Panelglide - Night Sky

Gliderol Tuscan Smooth Panel Glide – Native Series Merbau

Tuscan

The Tuscan design creates a timber cladding style door with horizontal “V” grooves. This provides a sleek & contemporary style providing the perfect finish to any modern home.

Gliderol Madison Woodgrain Panel Glide – Ironstone

Madison

The Madison design uses clean sharp lines in a textured finish to perfectly blend in with rendered homes. If you are looking for a door to compliment your rendered home than the Madison is the perfect choice.

Gliderol Hampton Woodgrain Panel Glide – Manor Red

Hampton

The Hampton design elegantly incorporates rectangular embossment for a classic, yet strong style. The Hampton design perfectly fits either traditional or modern designed homes.

Gliderol Oxford Woodgrain Panel Glide – Classic Cream

Oxford

The Oxford design uses classic Georgian squares which are a perfect fit for heritage style homes.

Gliderol Hampton Woodgrain Panel Glide With Traditional Hampton Windows – Woodland Grey

LEFT THE GARAGE
DOOR OPEN?

WE'VE GOT YOU COVERED

SAFETY = MERLIN + MACQUARIE GARAGE DOORS

With Merlin's authorised dealer Macquarie Garage Doors, you can have confidence that your garage door opener meets the Australian and New Zealand standards*.

We know that in less than a heartbeat (0.75 seconds) the garage door must reverse off any object. We know that it must occur with less than 40kg of force. How do we know this? We know because we have rigorously tested all our products to ensure they comply to these standards.

Together you have over 25 years of Merlin's global experience manufacturing garage door openers, partnered with Macquarie Garage Doors local knowledge to deliver superior products and customer service.
